Team Umang is focused to reduce the school drop-outs in slum based and rural Maharashtra by taking preventive measures rather than stitch in the hole by providing basic stationery material. Project "Promote Education" has provided over 1.2 lakhs stationery kits (since inception) to school going children to help them to continue their studies.

Umang Foundation focuses on the improvement of society in every possible way, to achieve this goal Team Umang have organized many philanthropic events and activities including distribution of stationery kits, clothes to villagers, blood donation drives, celebration of festivals with people in old age home, celebration of special days with children and children suffering from cancer.
